To Whom It May Concern:

From the moment I contacted Lifetime Estate Liquidations and received a prompt response from Kathy Baldridge, with the information that I had requested, I knew that I was dealing with a professional and knowledgeable company.

My first meeting with Kathy confirmed that she had the required expertise and I saw that she had a real passion for helping people. Although we had a relatively short schedule Kathy and her assistant Diane were able to pull together my estate sale quickly, turn my house into a temporary "store-front" and ensure that appropriate advertising and notices for the sale were in place.

Kathy assured me that they would take care of all of the details and that I should just let them do their jobs. I felt that I could trust Kathy and her company to handle things for me and I was able to focus on other aspects of my home sale and relocation.

The sale itself ran smoothly and was well attended. In fact, the results exceeded our expectations and Kathy closed down the sale a bit earlier than planned as she had essentially cleaned the place out.

I'm extremely impressed with Kathy's preparation, organization and execution.

Aside from the ease and success of my estate sale I feel that I have met a good friend in Kathy.

Anyone that is considering down-sizing their lifestyle (my situation) or just needs assistance in liquidating their household belongings should contact Lifetime Estate Liquidations to see if their services can help you.

Sincerely,
