To: Anita Reisinger & Kathy Baldrige, Lifetime Liquidations

Dear Anita and Kathy,

It is hard to say 'thank you' enough for the wonderful transition you and your company recently provided us. The estate sale that you held at my Mother's house went far beyond our expectations. Your professionalism paired with your uplifting and positive attitudes and your drive and effervescent enthusiasm, enabled us to get through this difficult time and brought up our spirits as well. Your ability to create a very successful event in such a short period of time still amazes us and the completeness of your networking allowed us to quickly begin preparing the house for sale. Roland and I most highly recommend you and your company to any and all. Please feel free to use us as references.

Sincerely,

  
  
Roland and Sue Moore
