Kathy,

I would like to thank you for everything you did to liquidate my parents estate and sell their home. We had been struggling with what to do for more than a year and you and your team came in and gave us a plan. You took care of all our questions and carried the process through every step. I know it was a lot of work getting to the closing, but you stayed on top of everything and got us there. My brothers and I cannot thank you enough. I would recommend you to anyone who needs an estate sold and/or a house sold.

Regards,

David Whelton
