Kathy helped my parents who both had gone into a nursing home sell their condo. Their home needed to be completely cleaned out and needed many repairs. She helped us every step of the way. This was a very hard thing for my parents and myself given their health and the condition of their home but Kathy was extremely supportive through the whole process. She was very knowledgeable and efficient but also so kind and compassionate to my parents. She continued to visit my parents even after their home was sold. She is an excellent agent and a wonderful person
