Kathy provided everything she said she would and more -- I can't begin to say how much I appreciated her service -- it took a big load off my shoulders and got me through a move I never could have done on my own. She was all those things mentioned above -- very impressive, masterful, immediate, excellent. I didn't have to worry about one detail -- she knew what to do and did it immediately. Those she had working with her were great and so helpful. Books and clothes got packed and unpacked in record time and I hardly had to lift a finger. I would highly recommend her services to anyone. Sincerely, Shirley Wilson
