

"Kathy Baldrige is absolutely an amazing Realtor. She is a true professional, in every sense of the word. Her knowledge of the various local neighborhoods and demographics allows her to make all the right decisions regarding timing and pricing for property sales. Kathy has excellent communication skills and she is very well connected within the real estate community and beyond. She is extremely patient and always takes the time to explain each step in the process of selling a home and down-sizing. Kathy suggests a plan with guidelines, and she provides steps to be followed along the way. No surprises. Any small bumps in the road along the way to closing, were handled quickly and effectively. This is extremely important, especially for senior citizens who may feel particularly overwhelmed by the thought of selling a home and moving. And, she offers a full menu of various services which she can provide along the way. Kathy helped find just the right price point for our home and placed it on the market at just the right time. She was extremely responsive to any questions or concerns. Her experience within the real estate market is most valuable. Our house sold in just one day for our asking price, and we had multiple offers for the property. We would highly recommend Kathy Baldrige to anyone thinking to sell their home. She is a great Realtor, and a kind, caring individual."
