To: Baldrige, Kathy <kathy.baldrige@cbrealty.com>

I can honestly say I enjoyed working with Kathy Baldrige throughout the normally stressful process of downsizing and moving in later life. Contacting her before all the decision-making in making this move enabled me to have confidence that, together, we could do this and it would happen, and it would happen within my timeframe. She took a lot of the worry off my shoulders and was with me throughout the process.
